Business Aircraft Leasing, Inc.

is pleased to exclusively present to the worldwide marketplace what is perhaps the best-equipped, pre-owned Gulfstream Astra 1125SP in existence. This two owner since new aircraft has been maintained to highest of standards. Virtually every service bulletin available has been complied. Many options installed on this aircraft are found only on Astra SPX's, with additional equipment found only on the new Gulfstream G150. See for yourself why we feel this is the finest Astra 1125SP available today.
